Honorable Mike Mansfield

Dear Mr. [Redacted]

Thank you for your letter of 13 September 1995 in behalf of [REDACTED] who is interested in employment with this Agency.

It is a little difficult to predict precisely what employment possibilities with us are at any given time due to fluctuations in our needs. However, generally speaking, one could be informed that our need for good secretaries is a more continuing requirement than that in the field of bacteriology.

I am enclosing a complete set of our application papers. If you will ask [redacted] to fill them out and return them, we shall be glad to review her application in light of current vacancies. As you requested, letter is returned herewith.

With kindest regards, — [Signature]
